Scouts

This term, our Pack has swelled to 30 members, which is great!

As the weather has been so lovely, we've spent as much time as possible outside. We have, amongst other things, cooked on trangias, completed various team work challenges, build dens in Heartwood Forest and visited Cross Farm. Cubs have had the opportunity for a joint sleepover with the Beaver Colony as well as taking part in the annual District Cubs cycle ride.

Cubs celebrate 110 years this year and Cubs have been invited to take part in a District Cubs Birthday Party! At the start of our Autumn term, we're looking forward to taking 20 Cubs to camp at Lees Wood.

SCOUTS

We have had a great term with the Scouts!

The evenings have included team challenges, water games, Lego car racing, and a paper airplane challenge.

We are finalising plans for our 6 day summer camp in Lymington where we will be learning camp skills, going to an aqua park, stand up paddle boarding with lots of games and Fish & Chips on the beach. Hoping for some warm (but not too warm) weather !

BEAVERS

Wow, the end of year already!

What a lovely final term we have had, the weather has been great and we have spent a lot of time outside! Beavers worked on our gardening badge, planted and looked after sunflowers, created nature rubbings, played wide games on the common, and a joint camp with Cubs. We have been very busy!

We have also worked on our knots, completed our book badge, conducted some fun experiments and our accomplished our cycling badge.
